

## **REFERRAL POLICY**

At Just Us Kids Pediatrics, we take pride in the coordination of your care.

The Referral Coordinator will carefully assess your physician's orders, always keeping in mind the special needs you as a parent may have. Certain insurance companies require patients to obtain a referral from their primary care provider in order to see a specialist. Once you have made the appointment with the specialist, please call our Referral Coordinator at 770-683-5437 ext. 3.

All children must be up to date on their well checks to get a new referral. It is the responsibility of the insurance holder to obtain a referral, prior to taking their child to a specialist. We cannot guarantee a paid claim to the specialist for retroactive referral requests. Please contact your insurance carrier for information regarding claim denials or verification regarding specialist designation.
